Dear Mr. Henning and Dr. Villarejo:

I am writing on behalf of the Association of Labor Relations Agencies (ALRA) to thank you for accepting our invitation to speak at our Annual Conference, to be held at the US Grant Hotel in San Diego, California from Saturday, July 20, 2002 through Wednesday, July 24, 2002.

As agreed, you will speak on the topic of Labor Issues Affecting Immigrant Workers, as a member of a panel that will take place from 11:30 am - 12:45 pm on Monday, July 22, 2002. Information regarding your co-panelist is contained in the attachment to this letter.

This letter will confirm that, in accordance with ALRA policy, you will be provided with one night=s lodging at the US Grant Hotel and meals on the day you are speaking, and will be reimbursed for expenses related to round trip transportation to San Diego from your home location.

ALRA=s Annual Conference brings together the top appointees and officials of ALRA agencies, the leaders of management and labor organizations, and a wide variety of dispute resolution professionals to interact and learn about the future of labor relations in a rapidly changing environment. Additional information about the Conference can be found on our website at <http://www.alra.org/conf2002.htm>

Monday, July 22 has been designated as Advocates= Day. In addition to ALRA members, it is attended by several hundred leaders from both the private and public sectors, including prominent business and labor representatives, government agency executives and arbitrators. Advocates= Day is an all day event, which is followed by an informal social reception.

Your participation in our 2002 Annual Conference is greatly appreciated. Please do not hesitate to contact me at 819-997-1118 or by e-mail at elizabeth.macpherson@hrdc-drhc.gc.ca should any questions arise while you are preparing for the Conference.

Dear Bill:

This will acknowledge with many thanks your enthusiasm for the Immigrant Labor Panel which you heard during the ALRA conference last month in San Diego.

You are not alone. During the remainder of the week in San Diego, I was approached by many who had heard about the panel's presentation and expressed regret that they had unfortunately chosen to attend a different subject workshop. As one delegate said, the panel was the "buzz" of the conference and there was even some talk of keeping it intact and taking it "on the road."

As I know the panelists will have no objection to my providing you with their contact information, it is enclosed herewith.

Allbest,

Norma Turner

Dear Ms. Turner,

I thoroughly enjoyed your panel on agricultural labor. Could you provide me with contact information about the other panelists? As you could see from my discussion with the *Wall Street Journal* reporter, I was most interested.

I hope that we can keep in touch.

With kind regards,

Sincerely yours,
